Hi everyone!

Just touching base on the video recap of the State of Hollywood as folks are asking...

Kevin, are there a couple (the more the better) of slides that we could use for the website recap of the event? I cannot recall if there were statistical slides; those are ideal but anything you are ok with us sharing would be appreciated!

Michael/Christina, could we have everything else set so that as soon as we get those, we can get the video up? Doesn't need to be the entire speech – just what we usually do, which is an edited overview.

Thank you everyone very much!

Kaylee
